
Welcome Aboard...

We are growing again with a recent addition to our Engineering Services Group.

Andrea Surabian joins us as a Civil Engineer bringing over six years experience with a wide variety of Civil and Site Engineering projects.

After Hours...
Swingin' in the Rain

What's the best way to end a 53 day drought?

Pictured above are **Scott Hollister, Marc Goodin, Phil Silva and Bob Dahn** who soldiered through an 18 hole downpour to benefit the **Connecticut Association of Land Surveyors** scholarship fund.

HomeGoods

Location, Teamwork and Planning

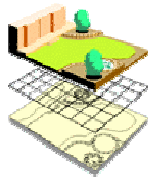

Rendering by PDA Architects

Sometimes having the right team at the right time can be just as important as being in the right place. Once the **TJX Companies** of Framingham, MA settled on **Bloomfield** as the site for their 800,000 square foot Regional Distribution Center, their next urgent order of business was to acquire local and state approvals. They assembled a design and permitting team that included **Dacon Corporation, Meehan & Goodin Engineers - Surveyors, P.C., ENSR Environmental Planners** and **Robinson & Cole, LLP**.

Prior planning by the property owner **ABB/Winstanley Enterprises**, in anticipation of impending development possibilities, included complete boundary, topographic and wetlands surveys that enabled our team to prepare and develop final plans for approval within a thirty day time frame.

We Provide the "Complete Package"...

From feasibility studies, through survey, design, permitting, construction and certifications, we are ready to guide your project to success!

Call us to see how we can assist you on your next project. (860) 643-2520

- ◆ Richard Meehan, LLS
- ◆ Marc Goodin, PE
- ◆ E. Russell Johnston III, PE
- ◆ Robert E. Dahn, LLS
- ◆ Vernon S. Reed, Jr., LLS

How Can We Help You Today?

- Site Planning
- Civil Engineering
- Land Surveying
- Permitting

On The Web...

To learn more about our firm, visit us at our Website
www.meehangoodin.com

Do you have a zoning question?

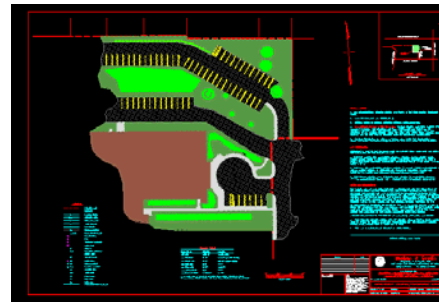

Call us with your zoning questions. We maintain up-to-date files for many Connecticut towns and cities and a CD-ROM based system for retrieving specific data. We'd be glad to help!

From the Cover...

The proposed HomeGoods development will cover more than 50 acres with building, parking and drainage ponds, and **no wetlands encroachment**. Construction is scheduled to begin soon.

On the Boards...

Eastern Connecticut Health Network, Inc.
Manchester Memorial Hospital
Maternity and Neonatal Unit

Meehan & Goodin is providing land surveying and civil engineering services for the new maternity unit at Manchester Memorial Hospital. The new unit is cantilevered over the existing driveway providing numerous design opportunities and challenges.

Surveyor/Civil Engineer: Meehan & Goodin
Architect: Cannon Design

Open for Business...

Phase I of **Spencer Street Self Storage** is now open at **53 Spencer Street, Manchester**. Construction of Phase II will be getting underway this summer.

Ready for Summer...

Lake Compounce
New England's Family Theme Park

Pictured above is the view from atop the 180 foot high "Sky Coaster" taken this spring during our annual review of the rides at Lake Compounce. All the rides were passed with flying colors so the park recognized as the oldest in America is now open for business.

Have a great time this summer!
