After Hours...

Our own **Jeanne Krasser** (second from right, second row) is now a member of **Take Note!**, a 24 member a cappella choral group that performs for private and charitable events in Eastern Connecticut. Comprised of singers from varied walks of life and professions, they share a dedication to and deep love of music and singing. You can get further information on their upcoming schedule or even arrange to have them for your own event at their Email [takenote@snet.net](mailto:takenote@snet.net) or contact Linda Tracy at (860) 429-7749.

Year End Reflections...

As the year draws to a close, we would like to say thank you to our clients and friends who made 2003 one of our most productive and memorable years yet.

We look forward to new opportunities and new challenges in the year ahead.

See you in 2004!

## Land Use Development Seminars...

We offer free seminars on land use evaluation, development and planning, as well as on the latest survey standards and codes.

Call Richard Meehan for more information about how to set up a seminar for your group at your location.

## Approved... Site Conversion

All Town approvals have been granted to **Charter One Bank** to retrofit an existing vacant building on the Silas Deane Highway in **Rocky Hill**. Our design for the former restaurant site included a reconfiguration of the parking area to provide for additional green space and an improved traffic and pedestrian circulation.

## Approved... Business Expansion

Construction of building additions and a new parking area will soon take place at **Harry's Auto Service** of **East Hartford**. By proposing to close two existing curb cuts and re-arranging site features, we succeeded in simplifying both on-site and off-site traffic patterns at the very busy Main and Ensign Street intersection.

## On the Boards... Sharon Hospital Expansion

We recently reported that **Essent Healthcare** has purchased the Sharon Hospital, in **Sharon** and will manage it as Connecticut's first for-profit hospital. We are now working with **Earle Swenssen Associates** of Nashville, Tennessee to design a 63,000 square foot addition that will include a new Women's Pavilion, Emergency Services, laboratory and service entrances.

## Under Construction... ADVO - Windsor

**ADVO**, the nation's largest full service direct mailing company, will soon move to a new office and processing facility in **Windsor**. The 153,288 square foot building plan and 28 acre site, which straddles the **Windsor/ Bloomfield** Town line, was designed by Meehan & Goodin and approved by both communities on the "fast track" so that construction could take place this year and occupancy could occur in the spring of '04.
